

# SAARATHI ACADEMY

## VISION & MISSION

Our Vision is to Become a pre-eminent educational group that works towards the overall enhancement of the society by enabling the brightest minds of the rural area to achieve what they aspire for and what they ought to have. Becoming successful is a skill but one cannot perfect it without practice. We at Saarathi, help students explore their full potential, boost their self-confidence and help them realize their dreams by the advanced system of teaching process.

Our Mission is to

1. Serving the society of tribal area by enabling the students to achieve the impossible looking goals due to lack of quality education, highly qualified faculty, economic reasons, and proper guidance.
2. Identify the strengths of students and makes them ready for the tough challenge of competitive examinations.
3. Discover and rejuvenate the unique qualities of each student, motivating them to respect their own special abilities and those of others.
4. Honor sensitivity, ethical behavior, trust & compassion and nurture these qualities in the Saarathi family.
5. Embrace diversity through instruction and example; foster understanding of the full spectrum of human social and cultural differences.
6. Commit to the principle of serving, teaching the grace of giving, the warmth of community, and the dignity of a cooperative spirit.
